NABATU CREATIVE

Certain stones are only available in Indonesia.

Unique pieces featuring organic shapes from exotic materials such as suar highlight any room, lobby or hallway.

Work with us !

Indonesia is also by far the world's best source of ancient, petrified wood. We offer full-service interior design, customized for you. Our team of skilled craftsmen and designers work tirelessly to create stunning furniture pieces and high-quality stone materials that meet the highest standards of durability, functionality, and aesthetic appeal. We understand the importance of furniture and stone in transforming spaces into functional and visually appealing environments, and we strive to deliver products that exceed our customers' expectations.

NABATU CREATIVE

Did you know that in addition to stone, NABATU offers wholesale made-to-order furniture?
